

AMENDED IN SENATE JUNE 18, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2558

Introduced by Assembly Member Williams

February 21, 2014

An act to amend Sections 87150 and 87151 of, and to repeal and add Section 87152 of, the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 2558, as amended, Williams. Community colleges: faculty and staff development.

Existing law establishes the Community College Faculty and Staff Development Fund, to be administered by the Board of Governors of the California Community Colleges, for purposes of providing state general funds to community colleges for supporting locally developed and implemented faculty and staff development programs. Existing law requires the board of governors to annually allocate funds appropriated for these purposes to each community college district whose chief executive officer has submitted to the Chancellor of the California Community Colleges an affidavit that includes specified information. Existing law limits the allocation a community college district can receive from the Community College Faculty and Staff Development Fund to a maximum of 2% of the community college district's fiscal year revenues for the prior fiscal year.

This bill would eliminate the Community College Faculty and Staff Development Fund and instead establish the Community College Professional Development Program. The bill would require any ~~available~~ funding *appropriated for this program* to be allocated, in accordance with rules and regulations adopted by the board of governors, to

community college districts that provide professional development opportunities for both faculty and staff. The bill would require community college districts receiving this funding to include the employee's time used participating in the Community College Professional Development Program in the employee's contractually obligated hours. The bill would also make nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
